Regional Manager Profile

A highly qualified Regional Manager with over 22 years unbroken insurance experience

Excellent long standing relationships with clients

Excellent organisation skills and attention to detail

Key Achievements

Played an important role in setting up the Dumfries office on behalf of Towergate in 2002, which had no client base. The Dumfries office now insures over 300 hauliers as well as a large number of construction related clients

Developing relationships with new and existing clients

Improved service levels for a large number of clients over a wide geographical area

Educational & Professional

Certificate in insurance competence held from the Chartered Insurance Institute

Currently undergoing Transport Managers CPC qualification

Ongoing study towards DIP CII (Diploma, Chartered Insurance Institute)

Driver Training course (with Towergate Risk Solutions)

Interests

I enjoy football, cycling and spending time with my family. I also like to travel.
